

Los Lunas Invested in Veteran Events, Inc. (L.I.V.E) is a non-profit corporation created to raise funds to support Valencia County Veterans Organizations, such as VFW Post 9676, Wounded Warriors, American Legion Posts, and the Blue Star Mothers of Valencia County (BSMVC). The principal fund raising event sponsored by L.I.V.E is their Annual *“Believe in Heroes Memorial Run”*, usually held in June. For the past three years L.I.V.E and BSMVC have also sponsored a Veterans Day Celebration at the Daniel D. Fernandez Memorial Park.

For the past three years, founders of the L.I.V.E Organization have requested that VFW Post 9676 Senior Officers be involved in the planning, coordination and execution of the *“Believe in Heroes Memorial Run”* and the annual Veterans Day Celebration. L.I.V.E has requested that Post 9676 provide speakers and provide an Honor Guard to post the colors at both of these events. We are very grateful that L.I.V.E. has been monetarily supportive of our Post. We are proud to be involved with L.I.V.E and BSMVC in both these annual events. Thank you L.I.V.E. and BSMVC for partnering with VFW Post 9676.
