VFW Post 9676  
Los Lunas, New Mexico**

***“Operation Tiny Tots”***

During the world wide “COVID-19 Pandemic” and the resulting global “Supply Chain Issues/Shortages” affected many local Valencia County families with young children (ages new born to 5 years old) that had significant difficulty purchasing diapers, clothing, formula and many other needed infant care items. For that reason Post 9676 launched “*Operation Tiny Tots.*” The Post has continued this effort as an annual event in March as part of our Community Service programs.

Post Commander Pino is respectfully requesting all VFW Members, local businesses, and residents to help these families in whatever way they can. He is respectfully requesting donations of new or gently used infant clothing, infant care items or cash donation to the Post’s “*Operation Tiny Tots Fund,*” which can be made on this website: Please click here to donate: [Operation Tiny Totes](#)

The Post will then distribute donated items and purchased items directly to needy families or to organizations that can assist in distributing these items. If you have any questions regarding “*Operation Tiny Tots*” please call Post Quartermaster, Jack Lovato at 505-550-4076 or Post Commander Pino at 505-414-0288.

**Your donation will be greatly appreciated. Thank you.**
